Directors & Consultants

Arup Sarkar, Senior Consultant and the Founding/Representative Director has four decades of experience as a Management Business Consultant.

Several decades of experience as a Paralegal Advisor assisting multi-industry MNC to SME clients in Japan in Business Administrative Legal matters. Extensive knowledge and expertise in handling diversified clientele in Japan, assisting at entry and post-entry-level support for setting up the legal business entity from planning to implementation.

He has worked as a Cisco Certified Auditor in Japan and South Korea for many years.

Mitsuharu Ogawa, Representative Director and Senior Corporate Affairs Consultant/Attorney has over 25 years of experience in the branch, company incorporation, compliance, and corporate affairs matters in Japan.

John B Datsomor, Director, Advisor: John B Datsomor is an Ex-official of United Nations University (UNU), Tokyo. He worked in the Administration Department as Head of the Programme Support Unit. He also worked for several years as President of the UNU Staff Council. He was once very close to former UN Secretary-General Kofi Annan (as both are compatriots).

Yahiko Maekawa, Director and Senior Tax Consultant/Attorney, has over 25 years of experience in Corporate and Individual Tax matters in Japan.

All other supporting associate consultants have several years of experience and are trained professionals in consulting and administrative services, as well as a supporting administrative team and associates.

Why Should You Consider Sarkar Office Japan KK? Administrative Services

- We provide a “One-Stop Solution” for Japan administrative, legal services. (Branch and subsidiary local co. incorporation, registration, formation, and post-incorporation services such as corporate and individual tax, accounting & payroll services, social Insurance, immigration, etc.)
- We have extensive knowledge and experience handling diversified clientele comprising of multinational companies, major Japanese companies, the Indian conglomerate, small & medium size companies, emerging growth companies, NGO, NPO, government agencies, semi-government organizations, embassy & consulates of foreign countries, and new start-up companies.
- We have over decades of long experience handling various types & a wide range of cases of clients from an extensive range of industries/sectors and nationalities.
- We provide prompt, efficient & highly professional service at par (if not better) compare to multi-national & large-size administrative-legal firms in Japan at a fraction of the fees charged by those firms.
- We charge a reasonable fee based on a flat-fee system on an assignment & case basis and not on a time-spent basis enabling our clients to do firm financial planning re Japan administrative, operational costs both at entry & post-entry-level.
- We provide our clients “**A Single Point Contact.**”
